

WHAT IS YOUR NORTHWOODS: PERSONALITY

Northwoods Bum Summer Itinerary

Your first stop in Langlade County should be the Antigo/Langlade County Chamber of Commerce to pick up maps, community information and useful advice on family-friendly activities, attractions and trails. We can give you some great suggestions on everything from places to go fishing to the best place to get the perfect souvenir.

Day 1

Morning

The relaxing **lodging** you chose for your stay surrounds you as you wake up. One of Langlade County's early morning hot spots will be perfect for breakfast today. You will find a welcoming atmosphere at any of the local **restaurants**. For a real treat, ask about the daily breakfast specials.

Mid-Day

Today gives you a chance to work on your tan at one of several public **beaches** throughout the county. Spend some time basking in the sunlight at Summit Lake Park, in Summit Lake just 12 miles north of Antigo on U.S. Highway 45. You can also head east to Mueller's Lake in Polar, or further east to White Lake in White Lake, WI. Whichever beach you choose, you can enjoy a great picnic lunch from the food you selected at a local **grocery store**. If the weather is not cooperating, there is always the **aquatic center** for a nice rejuvenating swim.

Evening

For supper, grab a meal at one of the many local **restaurants**. There is a wide range of options from pizzas and spaghetti, to delicious Friday night fish fries available. Take this opportunity to visit an amazing area tradition!

Day 2

Morning

Enjoy a quiet morning at a local **diner**. Take some time to chat with the locals about your interesting agenda you have planned for today.

Mid-Day

After breakfast it's time for something a little different, **Disc Golf!** Langlade County has 3 different disc golf courses for you to enjoy. You can try the City of Antigo Disc Golf Course. It is a 9-hole course that offers a good mix of fairways, from short & tight to wide open. There is also a brand-new disc golf course located across from Antigo High School. This 9-hole course is wide-spread but fairly easy. The course is perfect for beginners. If you are looking for something else, try Jack Lake's Disc Golf Course at Veterans Memorial Park. The fairways are situated around beautiful Jack Lake. This course is interspersed with trails, camping, and more!

Evening

Tempt your taste buds with something from one of the local **taverns or restaurants**. Full menus offer a little bit of everything. You can also get food & drink specials to cut the cost after your day on the course.

Day 3

Morning

Start your day with a delicious visit to one of Langlade County's **eateries**. Most of them offer you a full breakfast menu including all your favorites. If you are around on a weekend, stop in for a breakfast buffet, or simply order off the menu.

Mid-Day

Langlade County is a boater's paradise in the hot summer sun. With several hundred lakes to choose from, you can find your perfect spot. Whether you prefer a quiet day on a no-wake lake with a **fishing** line in the water, or you want to feel the wind in your face as you skim across the water in a speed boat, today is the day. Remember to bring your skies and wake boards. You can also rent a jet ski at one of the local merchants for another exciting option on the water. Whatever you choose, bring along the sunscreen!

Evening

What better way to finish your day on the water than with a cook-out on the beach. Pick up some brats or hot dogs at one of the **grocery stores** in town and cook them over an open fire, or on the grill. The summer sun lasts late into the evening, and the nights are warm and comforting around a fire pit.
