TO OCONTO COUNTY TRAILS

Towns in Ishpeming County are designated and maintained by eleven snowmobile clubs and the Ishpeming County Snowmobile and Recreation Department. There are six state-approved trails and one trail over 500 miles.

The Ishpeming County Snowmobile Council, organized in 1974, is comprised of delegates from 11 area snowmobile clubs. The council, in concert with the Michigan County Snowmobile Association, coordinates the snowmobile trail network and projects in Ishpeming County.

Please enjoy the trails, and the protection of the trails is your responsibility. Please help us keep the trails safe and enjoyable for all snowmobilers.
