

## WELCOME

Track 52 Sled Dog Trails is located in the heart of glacier country and is groomed for dogsledding & skijoring in the winter months.

Hiking is welcome year round; PLEASE BE AWARE that you may encounter sled dog teams training.

## DESCRIPTION

The trail is marked for specific directional flow that weaves its course through changing scenery of northern hardwood, aspen, and conifer forest types, which are typical of Langlade County. The entire trail is clearly marked and consists of rolling hills, straightaways, and curves; there are sections of trail where a driver and their team may have potential for head-on passing.

**NOTE:** When a person or team is going to pass or overtakes another team, they will call out "**TRAIL**"; please move to one side of the trail to allow for a safe pass. Caution areas are marked with **YELLOW** saucers. Turns are marked with **RED** saucers and are located on the side of the trail that you should turn onto; in the event of multiple turn choices, there will be a pie plate on both sides of the trail. \*\* Unauthorized Motor vehicles are prohibited on these trails \*\* The trail system is entirely on Langlade County property and maintained by volunteers.

## TIMBER HARVESTING

The Langlade County Forest is comprised of 127,000 acres and is managed for timber, wildlife, recreation, and other multiple use benefits. The northern hardwood timber is harvested using selective logging which provides continuous and sustainable forest products to society.

The aspen type is dependent upon full sunlight to regenerate itself which requires clearcutting to eliminate shade.

Other harvesting systems are also utilized dependent upon the specific needs of the individual forest stand.

You may encounter timber harvesting operations. PLEASE use caution and respect the logger's equipment as they earn their livelihood.

## OTHER TRAILS

Langlade County also offers more recreational trail opportunities such as: X-C ski trails, Ice Age Hiking Trails, hunter walking trails, road bike trails, snowmobile trails, and ATV trails.

For more information on any of these trails, please contact the Langlade County Forestry and Recreation Dept at 715-627-6300 or visit:
