Take advantage of the Chamber's **Member-To-Member Discount Program** and discover the savings throughout the communities.

What is the Member-To-Member Discount Program?

Chamber members promote their business to other Chamber member businesses by offering discounts for goods and services. Members support other members to help keep business in Langlade County.

How does the program work?

- Your offer must be honored during the entire calendar year (ex. January – December).
- We'll promote the Card at all upcoming Chamber events, in our newsletter, and on our website. We'll also provide Chamber Cards to all participants so they can share the Cards with their employees.
- We'll provide a complete directory of all participants in print and on our website. This will make shopping easier for everyone who uses the Chamber Card.

What criteria must be met to participate?

- Participant must be a Antigo/Langlade County Chamber of Commerce member in good standing.
- Discount must be exclusive to Chamber members rather than a general discount offered to the public.

What kind of discounts may be offered?

Discounts will be unique to each business. Examples:

- An advertising company may offer 10% off an ad design to a Chamber business.
- A publishing company may offer a discount for business card printing.
- A restaurant may offer a buy-one-get-one-free on menu items.

Why participate in the Member-To-Member Discount Program?

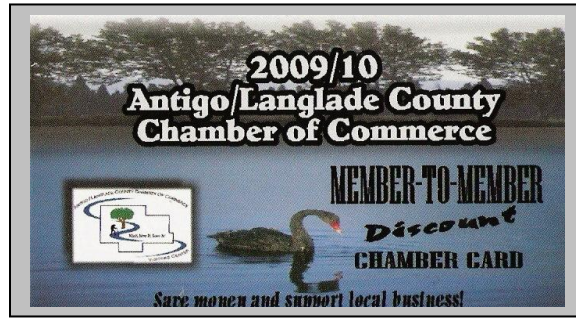

- **CUSTOMER AWARENESS** – You will be listed in many of the Chamber publications, including our website that will reach over 200 businesses and their employees.
- **INCREASED SALES** – Attract new customers to your business. You make the discount offer – we publish and promote the Chamber Card as a service to you. **THERE IS NO FEE FOR PARTICIPATING.**
- **EMPLOYEE APPRECIATION** – What a great way to show your employees you appreciate them. Distribute the Chamber Card to your staff, allowing them to enjoy the discounts and incentives offered by fellow Chamber members.
