

# WHAT IS YOUR NORTHWOODS: PERSONALITY

# Northwoods Highbrow Winter Itinerary

Your first stop in Langlade County should be the Antigo/Langlade County Chamber of Commerce to pick up maps, community information and useful advice on family-friendly activities, attractions and trails. We can give you some great suggestions on everything from places to go fishing to the best place to get the perfect souvenir.

**Day 1**  
**Morning**  
As you wake up in one of Langlade County's **places to stay** you can watch the snow falling silently outside the window. It's time to get up and make a light breakfast before you prepare for your day.

**Mid-Day**  
Today is all about searching for the perfect bottle of wine or artwork. Several shops in the area carry a variety of specialty wines and art for you to choose from. Visit **The Blue Awning** in downtown Antigo to peruse their wine choices. Also look around at the artwork from local artists. You can also visit **Schroeder's Gifts** on Antigo's south side for more options. If you are still looking for something a little more out of the ordinary, **Luxury Living**, north of Antigo, offers a nice selection of wines for you to pick. Where ever you decide to shop, you're sure to find a great purchase.

**Evening**  
For dinner tonight consider a **supper club** with a tradition for excellence. There's nothing like a quiet drink at the bar, before enjoying a fresh made meal with friends. Remember to save room for dessert; an ice cream drink is the perfect finishing touch to a great meal.
