

WHAT IS YOUR NORTHWOODS: PERSONALITY

Northwoods Trailblazer Fall Itinerary

Your first stop in Langlade County should be the Antigo/Langlade County Chamber of Commerce to pick up maps, community information and useful advice on family-friendly activities, attractions and trails. We can give you some great suggestions on everything from places to go fishing to the best place to get the perfect souvenir.

Day 1

Morning

The cool nights and warm days make Fall the perfect time of year to stay at one of the **campgrounds** in the county. Nothing compares to a breakfast cooked over an open fire. When breakfast is finished, it's time to start your adventure!

Mid-Day

Blazing a trail through the 127,000 acres of public land in Langlade County is an exhilarating adventure. You can never be sure what you'll find as you **walk or hike** here. The trees are changing colors, and the sound of rustling leaves is a symphony as you watch for wildlife, and enjoy the fresh fall air.

Evening

Local **taverns** offer many dining options, from sandwiches to pizza. Delicious food and friendly staff will make you feel comfortable. Here's your chance to take some extra time for relaxation, enjoy a beverage, shoot some pool, throw a game of darts, and talk to the locals to learn more about the area.

Day 2

Morning

As you prepare for today's adventure, your energy level will grow. A good breakfast is essential to keep your strength up today. Use the eggs, bacon & bread you picked up yesterday from the **grocery store** for a hearty breakfast cooked in your campsite.

Mid-Day

Head to the eastern part of the county for a day in the Chequamegon-Nicolet National Forest. Pack a picnic lunch, and start wandering through the gorgeous array of changing colors. Your compass comes in very handy today as you look for the perfect spot to spread a blanket, enjoy a picnic, and possibly catch a nap before heading back to the campground.

Evening

After a long day in the forest, grab a meal at a **local eatery**. You can choose from a wide variety of foods to find just the right meal. After dinner, head back to the campground and toast some marshmallows or make S'Mores and watch the stars.

Day 3

Morning

A good breakfast is necessary today! Visit any **restaurant** to satisfy your hunger. Pancakes or biscuits & gravy are both great ways to start your day.

Mid-Day

Get your **bike** out and get ready for a day on the trails. There are seven mountain biking trails in the county, or you can blaze your own trail. The Red River bike route, Jack Lake route, Post Lake route, South Loop, North Loop, Summit Lake bike route, and Town Line Lake route offer beautiful scenery to riders. The Eau Claire Dells bike route has mostly flat terrain with a few rolling hills with an endless amazing display of changing colors.

Evening

After biking all day, you'll need to relax over dinner. Find a delicious meal at one of our local **restaurants**. With choices like steaks, pasta, fish, or sandwiches you'll find something mouth watering. Start a conversation with some of the locals to start planning your next visit.
